

## ICOS Carbon Portal

*Monday, 9 December 2019 14:10 (30 minutes)*

ICOS - Integrated Carbon Observation System, a European Research Infrastructure. ICOS is the European measurement system for high quality and high precision greenhouse gas observations. The ICOS Carbon Portal provides free and open access to all ICOS data.

**Presenters:** PANTAZATOU, Karolina (ICOS ERIC (Carbon Portal, Sweden)); HELLSTRÖM, Maggie (Lund University (Carbon Portal, Sweden))
