

MAX IV Workshop on STXM

Wednesday 11 December 2013

E: Martin Obst: Chemical Nanotomography using STXM - Applications in biogeo- and environmental sciences - Aspen
(10:40-11:25)

E: Changxun Yu: Speciation of trace elements and mineralogy of Mn/Fe oxides in natural materials. - Aspen
(11:25-11:45)

E: Wei Cao: Progress and bottlenecks in nano-to-micro sized functional material researches: Solutions via STXM? - Aspen
(11:45-12:05)
