

# **User Workshop on Coherent Soft X-ray Imaging**

## **Tuesday 15 March 2016**

**Session 2: Björgvin Hjörvarsson - The scalability of magnetic order: From atoms to mesospins - MAX III, 4th floor (14:35-15:20)**

**Session 2: Cecilia Sanchez-Hanke - Modular thinking” in the construction of an endstation for soft x-ray magnetic scattering - MAX III, 4th floor (15:20-16:05)**
