

User Workshop on Coherent Soft X-ray Imaging

Tuesday 15 March 2016

Session 3: Andreas Menzel - The Mundane and the Exquisite – Practical X-ray Ptychography - MAX III, 4th floor
(16:40-17:10)

Session 3: Jan Lüning - The Relevance of Coherence for Resonant Magnetic Scattering Experiments - MAX III, 4th floor
(17:10-17:30)

Session 3: Adam Hitchcock - Soft X-ray spectro-ptychography and spectro-ptycho-tomography at the ALS and CLS - examples from hard and soft materials - MAX III, 4th floor (17:30-17:50)
