

International Workshop: Synchrotron and Neutron Scattering in
Biomaterials and Soft Matter

Contribution ID: 84

Type: **not specified**

**SANS study of the self-aggregation of alkylglycoside
surfactants with oligomeric head-groups**

Thursday, 27 October 2016 12:00 (20 minutes)

Presenter: Dr SEBASTIANI, Federica (CR Competence AB & Department of Physical Chemistry, University of Lund)
