

**International Workshop: Synchrotron and Neutron Scattering in  
Biomaterials and Soft Matter**

Contribution ID: 62

Type: **not specified**

**Molecular transport in lipid membranes: lipid  
exchange and translocation processes investigated by  
neutron scattering**

*Friday, 28 October 2016 10:10 (20 minutes)*

**Presenter:** Dr GERELLI, Yuri (Institut Laue - Langevin)
