

**International Workshop: Synchrotron and Neutron Scattering in
Biomaterials and Soft Matter**

Contribution ID: 65

Type: **not specified**

**Small-angle x-ray and neutron scattering –
complementary approaches for understanding
colloid and interface behavior of systems relevant for
technical applications of enzymes**

Thursday, 27 October 2016 13:10 (40 minutes)

Presenter: Dr CALLISEN, Thomas H (Novozymes R&D)
