

Coherence 2024

Tuesday 18 June 2024

Instrumentation and method development - S1 (11:00-12:25)

time	[id] title	presenter
11:00	[139] Chair	
11:05	[22] Harnessing coherence in femtosecond fluorescence for photon diagnostics and future X-ray sources	INOUE, Ichiro
11:35	[83] Coupling X-ray photon correlation spectroscopy and dynamic coherent X-ray diffraction imaging using triangular aperture	Mr TAKAZAWA, Shuntaro
11:55	[74] Sub-hour 3D ptychography at I13-1: Coherence, Diamond Light Source	BATEY, Darren
12:10	[43] Development of 5.04 Mpixel CITIUS detector for high-resolution ptychography	HATSUI, Takaki
