### XPCS, polarised and chiral beams (2:00 PM - 3:35 PM)

time	[id] title	presenter
2:00 PM	[136] Chair	MCNULTY, Ian
2:05 PM	[100] Magnetic spectroscopy and imaging with x-rays carrying orbital angular momentum	SACCHI, Maurizio
2:35 PM	[9] Coherent Correlation Imaging for resolving fluctuating states of matter	KLOSE, Christopher
2:55 PM	[42] Probing thermally activated dynamics in Artificial Spin Ices with coherent X-rays	BIKONDOA, Oier
3:15 PM	[59] Piezoelectric response in PMN relaxor ferroelectric probed by in-situ wide-angle X-ray Photon Correlation Spectroscopy	THOMPSON, Carol
