

Steps to connect to the WiFi

1. Connect to IEC-ACTES network
2. Open the browser to find a registration webpage
3. Create an account. You need to go to **Crea'n un**
4. Introduce your **Name and Surname** and **e-mail address** (you need to be able to open your e-mail in the same device) from where you are registering.
Type the password: **J7S3C6**
5. Accept the conditions and confirm
6. A window will pop-up and you must go to Start (**Inicia**).
7. Open your e-mail to access an e-mail you should receive with the information on your user name (xfs-__)
8. Open the e-mail with format shown below and go to **clica aqui**

The image shows a registration form titled "Registre d'accés a la xarxa sense fils" from Institut d'Estudis Catalans. The form contains the following fields and information:

Has sol·licitat l'accés amb les següents dades:	
Nom i cognoms:	<input type="text"/>
Correu electrònic:	<input type="text"/>
Contrasenya:	<input type="password"/>
Registre:	29-11-2022 11:02
Per confirmar o rebutjar la sol·licitud clica aquí .	

9. A browser window will open where you need to select **Confirmar/Validar**
10. As soon as the e-mail and password are validated you can use the same credentials to connect to the network with any other device.
