

LEAPS-INNOV Battery Research Forum

Poster Session planning

Mon 29th January 2024 17.30-19.00

The Poster Session will showcase:

- FACILITY POSTERS: LEAPS facilities will be presenting posters showing an overview of capabilities/tools they have to address battery research
- ENABLING TECHNOLOGIES & APPLIED RESEARCH CASES POSTERS: Facility staff and user community representatives will present examples of relevant synchrotron and FEL related science related to battery research

Poster presenters are asked to hang their poster upon registration (29/01 12.30-13.30 in Room Nicolau d'Olwer) and collect it by on the last Forum day (31/01 by 11.30h).
