Community Round Table: Reflections & Next Steps

Friday 29 August 2025 13:30 (1h 30m)

Interactive session to bring everyone together for an open round table discussion. We'll reflect on the key contributions, insights, and outcomes from the workshop, and invite participants to share feedback, highlight unresolved questions, and propose next steps for the Sardana community.

It's also a great moment for open discussions, informal collaboration ideas, and aligning on future directions.

Let's wrap up by shaping what comes next, together!
