

Second Korea/Sweden Advanced X-ray Science Symposium

Tuesday 30 September 2025

Session 4 : Advanced Spectroscopy: Session 4 : Advanced Spectroscopy - MAX III Meeting Room - Floor 4 (08:30 - 10:30)

-Conveners: Joachim Schnadt

time	[id] title	presenter
08:30	[13] Tracking Phase and Spin-State Evolution in Electrocatalysts via Operando X-ray Spectroscopy	SHIN, Heejong
09:00	[14] Korea-4GSR as a Platform for Advanced In-situ and Operando X-ray Spectroscopy	KIM, Ki-jeong
09:30	[15] The status of APXPS instrumentation at 4th generation synchrotrons	TEMPERTON, Robert
10:00	[16] Origin of topotactic phase transition of LaCoO ₃ thin films with in situ XRD and ambient pressure hard X-ray photoelectron spectroscopy	MUN, Simon
