

Second Korea/Sweden Advanced X-ray Science Symposium

Tuesday 30 September 2025

Session 6: Coherent Imaging II: Session 6: Coherent Imaging II - MAX III Meeting Room - Floor 4 (13:45 - 16:15)

-Conveners: hyunjung Kim

time	[id] title	presenter
13:45	[21] TBD	
14:15	[22] Enhancing resolution with the extended image restoration method: strain field energy and correlation length analysis in Bragg Coherent X-ray diffraction imaging	YUN, Kyuseok
14:45	[23] Imaging ferroic domain dynamics with nanoscale X-ray diffraction	WALLENTIN, Jesper
15:15	[24] Increasing flexibility of strain imaging via Bragg Coherent Diffraction Imaging	HILL, Megan
15:45	[25] Bragg Ptychography: next frontiers of crystal microscopy at 4th generation X-ray sources	CARBONE, Gerardina
