*Tuesday 2 June 2026 11:10 (50 minutes)*

- System architecture (Max IV presents typical equipment)
- Discussion around applicable directives

**Session Classification:** 1st Session

Contribution ID: 4

Type: **not specified**

## **Risk assessment (ISO 12100)**

*Tuesday 2 June 2026 13:00 (30 minutes)*

**Session Classification:** 2nd Session

Contribution ID: 5

Type: **not specified**

## **Functional safety (ISO 13849)**

*Tuesday 2 June 2026 13:30 (30 minutes)*

**Session Classification:** 2nd Session

Contribution ID: 6

Type: **not specified**

## Testing & technical file

*Tuesday 2 June 2026 14:00 (30 minutes)*

**Session Classification:** 2nd Session

Contribution ID: 7

Type: **not specified**

## **Declaration & CE marking**

*Tuesday 2 June 2026 14:30 (30 minutes)*

**Session Classification:** 2nd Session

Contribution ID: 8

Type: **not specified**

## **MAX IV guidelines regarding CE marking and motion**

*Tuesday 2 June 2026 12:45 (15 minutes)*

**Session Classification:** 2nd Session
